Oxford Handbook Of Happiness

The Oxford Handbook of Happiness is about human happiness. The study of happiness is at the nexus of four major scientific developments: the growing field of Positive Psychology, which researches the conditions that make people flourish; advances in the biological and affective sciences, which have contributed to the understanding of positive emotions; Positive Organizational Scholarship, an emerging discipline aimed at investigating and fostering excellence in organisations; and findings ...

Oxford Handbook of Happiness - James Pawelski

This chapter examines the two most promising current views of happiness: the life satisfaction theory and the emotional state theory. The life satisfaction theory, it is argued, has a number of problems. Most importantly, it does not straightforwardly represent how well individuals see their lives going for them.

Nature and Significance of Happiness - Oxford Handbooks

After briefly reviewing ways in which happiness has been conceptualized in different geographical regions, this chapter considers geographical influences on self-rated happiness, focusing in particular on the impact of inequality. This is followed by a consideration of place and space at smaller area level.

Geography of Happiness - Oxford Handbooks

Abstract and Keywords. From ancient history to recent times, philosophers, writers, self-help gurus, and now scientists have taken up the challenge of how to foster greater happiness. This chapter discusses why some people are happier than others, focusing on the distinctive ways that happy and unhappy individuals construe themselves and others, respond to social comparisons, make decisions, and self-reflect.

Oxford Handbook of Happiness by Susan David, Ilona ...

The late nineteenth-century Aesthetic movement challenged many aspects of Victorian literature and culture. This chapter explores how the emphasis on pleasure within Aestheticism was central to that challenge. The pursuit of 'art for art's sake' might seem to imply a step away from the politics of the day, but the hedonism of the movement, the chapter suggests, subverted dominant ...
